Project Spotlight - PA DOC / SCI Waymart

CHALLENGE	A time-sensitive security-infrastructure need required specified camera equipment for SCI Waymart.
RESPONSE	CGG sourced and coordinated the specified security-camera systems through its procurement network.
RESULT	The engagement supported the facility's security-equipment requirement and demonstrates CGG's responsive procurement and coordination capabilities.

Business Development & Readiness

CGG successfully completed the Commonwealth of Pennsylvania Mentor-Protégé Program with Deloitte, strengthening business development, operational processes, procurement strategy, and readiness to pursue and support larger public-sector opportunities.
